

Post-results services: Our charging policy explained

Three of OCR's post-results services are chargeable: **reviews of marking and moderation, access to scripts** and **appeals**. The fees for all the different services can be found in the OCR fees list, available from the OCR website at www.ocr.org.uk/fees. However, there are some situations where we will not charge a fee, and these are outlined below. For details of these services, please refer to the OCR website at www.ocr.org.uk/prs.
