

Post-results services: Our charging policy explained

Three of OCR's post-results services are chargeable: **enquiries about results (EAR)**, **access to scripts (ATS)** and **appeals**. The fees for all the different services can be found in the OCR Fees List, which is available on the OCR website at www.ocr.org.uk/fees. However, there are some situations where we will not charge a fee, and these are outlined below. For details of these services, please refer to the OCR website at www.ocr.org.uk/ocr-for/exams-officers/stage-5-post-results-services.
