

# Copyright Acknowledgement Booklet

Cambridge Progression Qualifications

March - August 2013

This booklet contains the acknowledgements for third-party copyright material used in OCR assessment materials for the **Cambridge Progression Qualifications**.

## **About the Copyright Acknowledgement Booklet for Cambridge Progression qualifications**

Prior to the March 2013 examination session, acknowledgements for third-party copyright material were printed on the back page of the relevant exam papers and associated assessment materials. From that series onwards, OCR has created this separate booklet to include all of the acknowledgements, rather than including them in the exam papers.

The booklet is updated after each examination session and each acknowledgement will be retained and published for a period of twelve months.

The booklet is available online from the OCR website at:

<http://www.ocr.org.uk/i-want-to/prepare-and-practise/past-papers-finder/>

The OCR Copyright Team can be contacted by post at 1 Hills Road, Cambridge, CB1 2EU, or by email at [ocr.copyright@ocr.org.uk](mailto:ocr.copyright@ocr.org.uk).

Where possible, OCR has sought and cleared permission to reproduce items of third-party owned copyright material. Every reasonable effort has been made by OCR to trace copyright holders, but if any items requiring clearance have unwittingly been included, please contact the Copyright Team at the addresses above and we will be pleased to make amends at the earliest possible opportunity.

### **How to find an acknowledgement**

Each acknowledgement is filed firstly by exam session, then subject and then under the unit number of the exam paper in which the copyright material appears.

Only the examination material containing third party material will be included in the Acknowledgement Booklet. Therefore please assume that any exam papers or subject areas not listed in this booklet are entirely © OCR.
