- Write your answer to each question in the space provided.
- Answer **four** questions in total; **two** questions from **two** options only.
- Do **not** write in the bar codes.

**INFORMATION FOR CANDIDATES**

- The number of marks is given in brackets [ ] at the end of each question or part question.
- The total number of marks for this paper is **100**.
- This document consists of **20** pages. Any blank pages are indicated.

Write the number of each question answered in the margin.

The page features a vertical solid line on the left side, serving as a margin. From this line, horizontal dotted lines extend across the width of the page, creating a grid for recording the number of questions answered for each question number.

Write the number of each question answered in the margin.

A vertical margin line is positioned on the left side of the page. To the right of this line, there are 25 horizontal dotted lines extending across the page, providing a grid for recording the number of questions answered.

Write the number of each question answered in the margin.

The form consists of a vertical solid line on the left side of the page, which serves as a margin. From this line, horizontal dotted lines extend across the page, creating a grid of small rectangular boxes. There are 25 such boxes, one for each horizontal dotted line. These boxes are intended for the student to write the number of questions they have answered for each corresponding question.

Write the number of each question answered in the margin.

A vertical margin line is positioned on the left side of the page. To its right, there are 25 horizontal dotted lines extending across the page, providing a grid for recording the number of questions answered.

Write the number of each question answered in the margin.

A vertical margin line is positioned on the left side of the page. To its right, there are 25 horizontal dotted lines extending across the page, providing space for recording the number of questions answered.

Write the number of each question answered in the margin.

A vertical margin line is positioned on the left side of the page. To its right, there are 25 horizontal dotted lines extending across the page, providing a grid for recording the number of questions answered.

Write the number of each question answered in the margin.

A vertical margin line is positioned on the left side of the page. To the right of this line, there are 28 horizontal dotted lines extending across the page, providing a grid for recording the number of questions answered.

Write the number of each question answered in the margin.
