

# Languages and the Ebacc

[www.ocr.org.uk/languages](http://www.ocr.org.uk/languages)

## WIDE RANGE OF LANGUAGES AVAILABLE

OCR offers you the widest range of languages that meet the requirements of the English Baccalaureate and is the only Awarding Organisation to offer Ancient Languages. Choose from 11 languages, including Modern Foreign Languages and Ancient Languages.

The following OCR qualifications count towards the Languages component of the EBacc:

**GCSE Biblical Hebrew**      **J196**

**GCSE Classical Greek**      **J291**

**GCSE Dutch**      **J733**

**GCSE French**      **J730**

**GCSE German**      **J731**

**GCSE Gujarati**      **J734**

**GCSE Latin**      **J281**

**GCSE Persian**      **J735**

**GCSE Portuguese**      **J736**

**GCSE Spanish**      **J732**

**GCSE Turkish**      **J737**

OCR also offers additional language qualifications designed to support language teaching at all levels.

Visit the [OCR Languages subject page](#) to see other available qualifications in other languages.

## DEDICATED SUPPORT AND ACCESS TO A TEAM OF LANGUAGE EXPERTS

Alongside a choice of 11 languages, OCR also offers you a wide range of support and access to a team of language experts.

## SUPPORT MATERIALS

A wide range of FREE Support Materials are available to download from the [OCR website](#). This includes: question papers, mark schemes, sample candidate work and a variety of resources to help with planning, teaching and learning.

## ACTIVE RESULTS

OCR Active Results is a free results analysis service, available for all GCSE and A level Languages. Active Results helps teachers review the performance of individual candidates or whole schools. You can also compare your centre against national averages, gain information to support your teaching programme and analyse question level results where available.

## PUBLISHED RESOURCES

We've worked closely with our publisher partner OUP to ensure effective delivery of materials when you need them. These materials, all endorsed by OCR and tailored to our specifications, include student text books, teacher guides and associated electronic resources (CD-ROMS and/or web based) linked to the core texts.

## LANGUAGES ONLINE COMMUNITY

Join our Languages online community at [www.social.ocr.org.uk](http://www.social.ocr.org.uk) where you can share resources, ask questions, start and take part in discussions.

## OCR LANGUAGES CLUSTER GROUPS

Regional OCR Languages Cluster Groups are designed to support teachers within a locality who are teaching OCR specifications.

## PROFESSIONAL DEVELOPMENT

Have a look at our new professional development programme, available from September 2012. At OCR we understand the increasing challenges that schools face in releasing teachers for INSET and have developed a new programme of courses which provide the valued content you're used to, and is now even more accessible and cost effective.

Our professional development programme provides a range of courses and events brought to you in different ways. Visit the [OCR Professional Development website](#) for further information.
