

NOTICE TO CENTRES

FAO: Head of Department (STEM)

Date: November 2014

Subject: CPD courses for Cambridge Nationals in Engineering

FREE CPD TRAINING FOR CAMBRIDGE NATIONALS IN ENGINEERING

We've created a range of stimulating and informative **free face-to-face courses** to provide you with a thorough understanding of the new Cambridge Nationals in Engineering qualifications and to offer you the **support** you need in delivering them.

To find out more about the course objectives, dates and locations and to book your place, take a look at the courses below using the following links:

- [CFNAAE](#) – Cambridge Nationals in Engineering: an overview of the qualifications suite
- [CFNAAF](#) – Cambridge Nationals in Engineering: transition to Cambridge Nationals from Principal Learning
- [CFNAAA](#) – Cambridge Nationals in Engineering: System Control Engineering: first delivery of the qualification
- [CFNAAB](#) – Cambridge Nationals in Engineering: Principles of Engineering and Business: first delivery of the qualification
- [CFNAAC](#) – Cambridge Nationals in Engineering: Engineering Design: first delivery of the qualification
- [CFNAAD](#) – Cambridge Nationals in Engineering: Engineering Manufacturing: first delivery of the qualification.

These courses are **free** and will include a set of essential course materials. Refreshments and a light lunch will also be provided.

For further information about our CPD programme, please call us on **02476 496398** or email the [CPD team](#).

For any other queries, please contact the Customer Contact Centre on 01223 553998.
