Due to changes in the structure and an increase in the mandatory credit, OCR is replacing this qualification. OCR will of course continue to support and assess the current qualification up to the final certification dates for this qualification which will be as follows:

Scheme code	Last entry date	Last certification date
09621–09626	31/03/2015	31/03/2018

Please be aware that the final certification date is the last date in which OCR will produce certificates and therefore it is advised that centres plan for completion of all candidate assessment at least two months prior to these dates.

You will be able to enter for the new qualification from **1 October 2014**. Centre approval for the new scheme codes will automatically carry over from the old scheme codes, as will Direct Claim Status (DCS).
