

Qualification title:	OCR Entry Level Award in Digital Employability (Entry 1)
Qualification number:	601/6295/8
An overview of this qualification	<p>The OCR Entry Level Award in Digital Employability (Entry 1) is a skills based qualification, which aims to give you the IT knowledge and skills needed for life, learning and prepare for entry into employment. You will learn about different digital devices such as computers, laptops, touch-screen tablets and smart phones. You will build confidence using a device to do some of the tasks that are needed in a job and life in general.</p> <p>You will need to complete one unit to get this qualification, where you will practise</p> <ul style="list-style-type: none"> • how to safely start up and shut down a device • the features of a digital device • how to charge a digital device • how to search for and find information • how to reply to text messages or emails. <p>Your knowledge and skills will be assessed by your tutor, by them watching you using a device and asking you questions.</p> <p>The learning focuses on skills. This will enable to practise these skills before your tutor assesses you.</p>
Entry requirements	There are no specific entry requirements for this qualification.
Age restrictions	This qualification has no age restrictions but it has been designed for people aged 16 and over.
Is this qualification right for me?	<p>This Entry Level Award is suitable for people who:</p> <ul style="list-style-type: none"> • need to up-skill themselves for independent living, learning and prior to finding employment • who want to fill skills gaps • are 16-18 learners in FE and Independent Training Providers (ITPs) including Traineeships • are post-19 learners on Employability programmes and Traineeships • are Offenders' Learning and Skills Service (OLASS) learners preparing to leave prison and access employment. <p>The primary purpose of this qualification is to develop a range of transferable skills which will prepare you to progress into employment, living independently, or further vocational learning.</p>

	<p>The OCR Entry Level Award in Digital Employability(Entry 1) is part of a suite of Digital Employability qualifications that can be taken at Entry Level 1, Entry Level 2, Entry Level 3 or Level 1.</p> <p>This qualification is the right one for you if:</p> <ul style="list-style-type: none"> • You have not used a digital device before and want to develop your skills. • you would like a qualification that allows you to target specific areas of development • You want to learn how to follow instructions and learn about how to use digital devices.
