Dear Charlotte

UK Deaf Sport is the strategic lead for Deaf Sport in the UK.
Our vision is to have more deaf people participating and reaching their full potential in sport, whilst Our aims are to encourage more people who are deaf or hard of hearing to enjoy and excel in sport.

There is an inequality of opportunity for people who are deaf or hard of hearing in the opportunities to participate, coach and volunteer. A key issue in addressing this inequality is to improve deaf awareness for all people involved in sport.

You have consulted with us during the development of the new Level 3 Cambridge Technicals in Sport and Physical Activity and we have reviewed the content of the final units for the following qualifications in particular:

601/7095/5, OCR Level 3 Cambridge Technical Foundation Diploma in Sport and Physical Activity (VRQ)

601/7096/7, OCR Level 3 Cambridge Technical Diploma in Sport and Physical Activity (VRQ)

UK Deaf Sport are confident that the Level 3 Cambridge Technicals in Sport and Physical Activity is a comprehensive program that will add to the qualifications and knowledge needed to deliver sport of high quality.

UK Deaf Sport is happy to offer it's support for the Activity Leadership pathway, the Sports Coaching pathway and the Recreational Assistant pathway.

I wish you and your learners every success in the future.

Yours sincerely,

Clive Breedon
National Participation Officer
