

Sequence in an algorithm

Worksheet 2

1 A student is writing a guessing game program to do the following:

The computer generates a random number and a user has to input a number.

The user continues inputting numbers until the two numbers are the same.

When they are the same, the text 'SNAP' is output and the game ends.

Use a flow chart to illustrate the algorithm to solve this problem.

Sequence in an algorithm

Worksheet 1

- 2 Using pseudocode, document the algorithm shown in the video.
This is what the trick had to do...
