

# Fees List 2016/17

Effective from 1 August 2016 to 31 July 2017

# Introduction

## Annual centre fee

We charge an annual centre fee of £500 for work-based learning centres and colleges offering our vocational qualifications. This is payable on 1 September each year and applies to centres who made entries between 1 August and 31 July the previous year. New centres, who make entries for the first time during 2016/17, will not be charged the fee until September 2017.

Without paying the annual centre fee, centres cannot make any new entries.

Where centres make entries using more than one centre number, only one fee will apply.

If you have any queries about the annual centre fee, please call our Customer Contact Centre on 02476 851509.

The fees published in this booklet are effective from 1 August 2016 and are based on current administrative procedures.

Fees quoted are accurate at time of publication. OCR reserves the right to amend fees at any time and will notify changes in any subsequent versions.

## Searching/Navigating this pdf

Acrobat Reader has an easy-to-use built-in search facility.

In the tool bar at the top you should see a search box – if

- you do not see a box press Control and F (or Command and F on an Apple Mac) and this will open the search box.
- If known you can enter the qualification scheme code to quickly navigate to the correct page.

To search by any other criteria click on the down arrow next to the search box and select Open full reader search, entering your search text in this box will show detailed results in a second window.

- Alternatively use the clickable links on page 6, these will navigate you to the associated qualification page.

## Fees for late entries, withdrawals, entry amendments and transfer of candidates

The accurate and timely submission of entries is critical to the successful delivery of OCR's services to centres. Entries received after the advertised deadlines can disrupt carefully scheduled processes and ultimately jeopardise the final production and delivery of results. Late entry fees are therefore applied both to recover the costs associated with the additional processing requirements and to promote the submission of entries by the advertised closing dates. Late entry fees will not be refunded.

Series	Basedata issued	Entry deadline	Stage 1 late entry fees	Stage 2 late entry fees and date from which changes of tiers will be charged	Withdrawn entries with refunds will be accepted until
November 2016	1 September 2016	4 October 2016	5 October 2016 to 4 November 2016	5 November 2016 onwards	4 November 2016
January 2017	9 September 2016	21 October 2016	22 October 2016 to 21 November 2016	22 November 2016 onwards	21 November 2016
June 2017 GCSE/Entry Level Certificate/ Cambridge Nationals/ Level 1 and 2 Certificate/ Level 2 Award	11 November 2016	21 February 2017	22 February 2017 to 21 March 2017	22 March 2017 onwards	21 March 2017
June 2017 GCE/FSMQ/Project/Principal Learning/ Level 3 Certificate	11 November 2016	21 February 2017	22 February 2017 to 21 March 2017	22 March 2017 onwards	21 April 2017

Where a candidate is resitting exactly the same unit in June as taken in January, the entry deadline of 21 February is extended to 21 March. Following centres' receipt of the original series results, resit entries can be made up to and including the 21 March without incurring any late entry fees. If resit entries are made after this deadline they will be immediately subject to Stage 2 late entry fees.

<b>Candidate entry</b>	The submission of the four-digit entry code (plus any associated tier/option code) as defined in the OCR Entry Codes booklet or basedata issued by OCR. For unitised schemes, there is a separate entry code for each unit (including coursework units) and also the associated certification entry. An entry fee is charged for each unit or, in the case of linear qualifications, for the overall qualification.
<b>Certification entry</b>	For unitised qualifications only, an entry to indicate an overall specification grade, where an award is expected for the candidate in the series. There is no entry fee for certification entries apart from for the GCSE Short Course (late entry fees do not apply to this).
<b>Late entry (Stage 1)</b>	Charged for each entry received after the entry deadline. This fee is the equivalent of the original entry fee and is charged in addition to the entry fee.
<b>Very late (Stage 2) entry</b>	Charged for each entry received after the late entry (Stage 1) deadline. This fee is double the original entry fee and is charged in addition to the entry fee.
<b>Pirate entry</b>	A pirate entry is an entry created by OCR in response to work submitted for a candidate who has not been formally entered by the centre. Very late (Stage 2) entry fees will be applied (double the original entry fee) in addition to the original entry fee.
<b>Option change (amendment)</b>	This can represent a change to the area of study within a unit (e.g. a choice between question papers), the method of moderation (postal or OCR Repository), or the form of assessment (e.g. a written examination or a computer-based test). See the OCR Entry Codes booklet for further details and option codes. If you want to change an option after the entry deadline, the original entry fee is refunded, you will be charged the entry fee for the new and late entry (Stage 1) fees apply. If you want to change an option after the late entry deadline, the entry fee for the original entry will not be refunded and very late entry (Stage 2) entry fees apply, in addition to the entry fee.
<b>Tier change</b>	This changes the level at which a candidate will sit an exam (i.e. Foundation or Higher). For example, changing A351F to A351H would change a candidate's entry for A351 from Foundation tier to Higher tier. We start charging for tier changes at the same time as we charge for very late (Stage 2) entries. The charge is the very late entry (Stage 2) fee, ie double the original entry (without the original entry fee being charged).
<b>Withdrawn entry</b>	The removal of a candidate entry after it has been received. A refund provided for withdrawals made within one month of entry closing date (GCSE or similar sized qualification) and within two months of entry closing date (GCE or similar sized qualification). Entry fees will be refunded for candidate entries withdrawn up to one week prior to the issue of results, on the production of a medical certificate for medically unfit candidates. For bereaved or deceased candidates, a letter on centre headed paper should be provided. To claim a refund for medically unfit candidates, please forward the supporting documentation to the Entries Team at <a href="mailto:OCRGQ.entryprocessing@ocr.org.uk">OCRGQ.entryprocessing@ocr.org.uk</a>

## Replacement certificate/Certifying statement of results fees

Centres have one month to report missing certificates in order to obtain a free replacement. After this date, there will be a charge.

Replacement certificates will only be issued for six months from the date of issue (except where a grade has changed as a consequence of an enquiry about results, in which case replacements will be issued free of charge up to a year from the date of issue). After this date, centres must apply instead for certifying statements of results.

<b>November series</b>	<b>Fee (£)</b>
Personal detail amendments (eg to correct name misspellings or incorrect date of birth)	43.00 per certificate
Replacements for lost/damaged certificates - up to 31 March	Free of charge

u Apprenticeship component

Qualifications annotated with a 'u' in the left margin are those that can be used in an Apprenticeship where OCR offers all of the necessary qualification components required to claim an Apprenticeship.

Where applicable, the number of units (as opposed to minimum credit) required to certificate the qualification.

The prescribed number of hours a member of staff is present to give specific guidance towards the learning aim being studied for the qualification.

A one-off payment, payable in advance, covering the cost of the whole qualification.

## Apprenticeship framework areas

The six Personal, Learning and Thinking Skills (PLTS), required for Apprenticeship certification, are non-accredited and are normally mapped to either competence or knowledge based units within each framework area.

## Notes:

Comprehensive instructions for entering candidates for Cambridge Nationals qualifications can be found [here](#).

30 GLH units @ £14.00, 60 GLH units @ £28.00

Certification entries are free of charge

Centres delivering Cambridge Technicals (2012 and/or 2016 Suite) qualifications receive two free Visiting Moderations per academic year/subject. Any additional Visiting Moderations will incur a fee of £340 per visit, unless prior approval to waive the fee has been granted by OCR. Centres are advised, candidates should be entered for either the full award or individual units. They should not be entered for both. (This is different from many other OCR qualifications, such as GCSEs and A Levels, where both unit and certification entries are required.) Comprehensive instructions for entering candidates for Cambridge Technicals qualifications can be found [here](#).

**Pay as you go (QCF)** – Units are purchased until such time that the required amount of credit has been achieved to attain a full qualification.

**Pay up front (QCF)** – A simple one-off payment, payable in advance, that covers the cost of the whole qualification at a lower cost than Pay as you go, with the exception of those qualifications marked \* where only two or three units are required to attain full certification.

Top up/Move down entries can only be made for candidates with existing full award entries.

Top up/Move down fees are determined by calculating the difference between the cost of the full qualification the candidate is moving to and the cost of the original full qualification entered for and applying a standard £12 per candidate administration fee (incorporated into the stated fee shown). Where a move down fee is shown this value will be credited to your account.

Top up/Move down entries can only be made for candidates with existing full award entries.

Top up/Move down fees are determined by calculating the difference between the cost of the full qualification the candidate is moving to and the cost of the original full qualification entered for and applying a standard £12 per candidate administration fee. Where a move down fee is shown this value will be credited to your account.

Centres delivering Cambridge Technicals (2012 and/or 2016 Suite) qualifications receive two free Visiting Moderation opportunities per academic year/subject.

Any additional Moderations will incur a fee of £340 per visit, unless prior approval to waive the fee has been granted by OCR.

A late entry fee will apply to all externally assessed units (either 1st sitting or re-sit) submitted after the entry deadline date(s) stipulated in the Key Dates and Timetables document. The late entry fee (£30.45) is charged in addition to the Unit/Full Qual entry fee.

Top up/Move down fees are determined by calculating the difference between the cost of the full qualification the candidate is moving to and the cost of the original full qualification entered for and applying a standard £12 per candidate administration fee (**incorporated into the stated fee shown**). Where a 'negative' move down fee is shown this value will be credited to your account.

# Vocational Qualifications

Centre approval fee (new centre) for verified schemes	415.00
Centre approval fee (for existing centres) for verified schemes	340.00
Inspection fee*	340.00

\* Applied where a vocational centre that is not a school or college seeks approval to become an OCR Test Centre, ie one delivering examined qualifications. (For Certificates of Professional Competence, an inspection visit and fee is required **per venue.**)

Centres located outside the UK will need to negotiate prices for evaluation and verification individually.

Centres receive two free External Verifier visits per year, being incorporated into the candidate entry fees charged by OCR. However, OCR reserves the right to charge centres the standard visit fee (currently £340) for any extra visits or advisory visits over and above their normal allocation. Moreover, where a centre enters a small number of candidates per academic year, the standard visit fee will be applied. Please refer to the OCR website for further guidance.

OCR offers customers two fee options for the vast majority of our NQF and QCF vocational qualifications.

Pay as you go (NQF) – There is an initial entry fee and then you pay for the certification claim for each unit when you make your unit certification claims.

Pay up front (NQF) – A simple one-off payment, payable in advance, that covers the entry fee and the certification claim fee for the whole qualification at a lower total cost than Pay as you go.

Pay as you go (QCF) – Units are purchased until such time that the required amount of credit has been achieved to attain a full qualification.

Pay up front (QCF) – A simple one-off payment, payable in advance, that covers the cost of the whole qualification at a lower cost than Pay as you go.

For overseas centres that have been approved by Cambridge International Examinations to offer OCR examinations, a premium of £8.50 per candidate over and above the normal fee is charged. BFPO centres are charged UK rates. Late entries for Examined Schemes are liable to a late entry surcharge of £65.00 per entry document.
