Dear Charlotte

As an employer who employs staff providing Health and Social care services across the county of Hertfordshire.

We have reviewed the units for the following qualifications:

05880 – OCR Level 2 Cambridge Technical Certificate in Health and Social Care – 603/0386/4

05881 – OCR Level 2 Cambridge Technical Diploma in Health and Social Care – 603/0388/8

We believe the skills and knowledge the students will develop when taking these qualifications will act as a basis for progression into employment within Health and Social Care.

In addition we feel that students undertaking these qualifications would have an advantage when applying for related jobs or Apprenticeships within the Health and Social Care sector. We agree that a student completing these qualifications would develop specialist knowledge and skills at a level expected for a 17 year old starting work in Health and Social Care. As such this would put them in a good position when applying for jobs such as Care Assistant, Domiciliary Care Worker, Assistant Activities co-ordinator.

Yours Sincerely

A handwritten signature in black ink, appearing to read "Paul Rainbow".
