FREQUENTLY ASKED QUESTIONS (FAQs)

Changes to OCR Level 1/2 Cambridge National Award/Certificate/Diploma in ICT (J800, J810 and J820) – from July 2017

1.   **What should I do if candidates have already produced evidence for email etiquette in Unit R002 , Using ICT to create business solutions M/503/6026?**
     Candidates do not have to amend their evidence. From the date of this notice we will not assess evidence for email etiquette in Unit R002. Centres do not have to re-assess the evidence produced for email etiquette.

2.   **What should I do if candidates want to use Unit R011, Understanding technology J/503/6033?**
     The final series for this unit is June 2018. This unit will no longer be used towards the certification of the Cambridge National Certificate/Diploma in ICT (J810/J820) after this series.

3.   **Why have you removed Visiting moderation?**
     We continually review the qualifications, uptake and performance of all our qualifications, we have seen a large decline in the use of visiting moderation and this has resulted in the decision to withdraw Visiting moderation.

     We still offer the choice of moderation via OCR repository or post. For more information please see the updated specification.
