We operate two bridges linking England and Wales.

The first bridge opened in 1966; the second, 3 miles south, opened thirty years later and forms part of the M4 motorway.

Tolls are payable on both bridges, as you enter Wales. Payment can be made by cash, most credit cards, or "TAG".

Use the crossings frequently? Save time – buy a TAG card in advance.

Fix the TAG electronic card to your car's windscreen.

You won't have to worry about having the right change or queuing at the toll booths.

How to get TAG

Download a form from our website and return it with your first payment.

Provided you are in credit you can just drive through. Payment is automatic.

Credit low? You will see a yellow light at the toll booth to remind you to top up the account.

Bad weather? Delays? Call this number: 0300 123 5000

The scheme is flexible.

For example, you can use:

- people who look after children in their own homes (qualified childminders)
- private or state schools for very young children

In some areas there are staff who also speak languages other than English.

There are regular inspections, so your child will be happy and safe.

How can you use your 15 free hours?

If you need more than 15 hours, you will have to pay for the extra time.

Your child must attend for a minimum of 3 days per week.
You can choose your hours and days to suit your circumstances.
