

NOTICE TO CENTRES

FAO: Head of Design and Technology

Date: October 2011

Subject: Entry Level Design and Technology R364

CHANGES TO ENTRY CODES FOR ENTRY LEVEL DESIGN AND TECHNOLOGY

With immediate effect, the original entry code for this specification (R364) **will no longer be used**. All new entries must now be submitted using the separate unit codes for each material area, as listed below:

- R371 – Electronics
- R372 – Graphics
- R373 – Industrial Technology
- R374 – Resistant Materials
- R375 – Textiles Technology

In addition, certificates will now include the name of the material area(s) undertaken.

Please note that there have been no changes to the specification content, themes or marking criteria.

The updated specification booklet, centre forms and support material are available on the qualification pages of the [OCR website](http://www.ocr.org.uk).
