

## **Cynhyrchu Testun (Lefel 1) - 03945 Spring 2009**

Roedd safon y gwaith ar y cyfan yn ardderchog. Cynhyrchodd rai ymgeiswyr waith ardderchog gyda braidd yr un gwall.

Dogfen 1: Cynhyrchwyd hon heb lawer o wallau gan y mwyafrif. Cosbwyd rhai oherwydd gwallau diofal. Roedd hi'n amlwg nad oeddent wedi cymharu'r gwaith a wnaethant yn ddigon manwl gyda'r cwestiwn.

Dogfen 2: Eto nifer bychan iawn o wallau a wnaethpwyd ond cosbwyd rhai oherwydd gallau diofal.

Dogfen 3: Eto paratowyd y ddogfen hon yn ardderchog gan y mwyafrif. Yn anffodus cafwyd nifer o wallau diofal gan rai ymgeiswyr.

The standard of work generally was extremely good. Some candidates produced excellent work with very few errors.

Document 1: This document was produced with very few errors. A few candidates incurred penalties due to careless checking of the work they had produced.

Document 2: Again very few errors were made but a few candidates incurred penalties due to careless checking of their work.

Document 3: Again this was very well done by most. Unfortunately some candidates made several careless errors.
