

NOTICE TO CENTRES

GCE INFORMATION AND COMMUNICATION TECHNOLOGY

G062 Structured ICT Tasks June 2015

THIS NOTICE SHOULD BE OPENED UPON RECEIPT FOR THE ATTENTION OF THE HEAD OF ICT

Dear Head of ICT

OCR needs to bring to your attention an issue that has arisen with the uploading of data files to support this unit assessment.

It appears that the wrong version of two data files have been uploaded to the OCR website in error when the tasks went live in September 2014:

- tblOrder.csv
- tblOrderline.csv

We can confirm that the files concerned have now been updated and have been posted to the OCR website.

An accompanying FAQ will also be posted shortly which will provide additional clarity to centres with regard to the unit.

Prior to the mark scheme being issued to centres in early 2015, OCR will undertake a review of this document to ensure provision is made for those candidates who may have used the original data files that were uploaded to the website in error to complete Task 1.

Any enquiry about this notice should be referred to the Customer Contact Centre on 01223 553 998 or general.qualifications@ocr.org.uk
