

NOTICE TO CENTRES

FAO: Exams Officer/Head of Department

Date: April 2015

Subject: Entry Level English – R392

CHANGE IN MODERATION DETAILS FOR ENTRY LEVEL ENGLISH R392

We have updated the OCR Entry Level Certificate in English (R392) Specification, section 4.3 (moderation), pages 12 and 13.

The text on page 12 currently states:

'The sample should consist of six candidates selected by the Centre. They should represent the ability range of the candidates entered for the examination.'

The revised text will state that:

'Once marks have been submitted to OCR and your moderator, centres will receive a moderation sample request. Samples will include work from across the range of attainment of the learners' work.'

The following text will be removed from page 13:

'It is the responsibility of the centre to select the sample of candidates' work to be sent for moderation'.

An updated version of the specification will soon be added to our website and we will let you know when this is available.
