SOURCE A

Never in the history of the world was one people as completely obsessed by another as the people of the United States by the people of Russia in the years 1946 to 1949. All this took place not in a time of national weakness but precisely at the moment when the United States, having engineered a tremendous triumph and fought its way to a brilliant victory in the greatest of all wars, had reached the highest point of world power ever achieved by a single state.

From a book published in 1949 by Archibald MacLeish who was accused of having communist sympathies by Hoover and the FBI during the Second World War.

Other men are holding banners, one of which says, 'Illinois Dept. American Legion Resolution Condemning the Girl Scouts of America', and the other has 'Our hero' written next to a man's face.
