

2016 Cambridge Technicals Advisory Support Call

At OCR we understand that supporting you to be ready for first teaching is important. So, we have a range of support materials, resources and training available to help you on your journey with us.

This service is for centres prior to first assessment with OCR. If you are an existing centre and have any questions, please contact our Customer Support Centre in the first instance at vocational.qualifications@ocr.org.uk or on 02476 851509.

To help us signpost you to the most appropriate support please let us know the following.

Tell us about you and your centre:

*We will try our best to accommodate your preferred date; however so we can provide a high quality service we use members of our trained assessor team, at certain times of the year they're extremely busy so please provide a range of dates.

How to request Cambridge Technicals Advisory Telephone Support:

To request Advisory Telephone Support for Cambridge Technicals please complete the information above and email the form to the CPD Team at professionaldevelopment@ocr.org.uk

Most of our Advisory Support is freely available on-line, either via the Cambridge Technicals Hub page, the qualification page, or the CPD hub.

This will provide you with an opportunity to discuss the specification and content, assessment criteria and delivery ideas. One thing we can't discuss or look at is live student work.
