

Cambridge Nationals Advisory Support Call

We understand that supporting you to be ready for first teaching is important. We have a range of support materials, resources, and training available to help you on your journey with us. We also offer an advisory support call for centres who are delivering a Cambridge National subject for the first time. This is available before your first assessment, where we will answer any of your questions including administration, delivery, and assessment. If you are an existing centre and have any questions, please contact our Customer Support Centre in the first instance at support@ocr.org.uk or on 01223 553998.

To help us signpost you to the most appropriate support, please let us know the following.

We will try our best to accommodate your preferred date/s; however, so we can provide a high-quality service, we use members of our trained assessor team. At certain times of the year, they're extremely busy, so please provide a range of dates.

- Most of our support is free and available to you throughout the duration of your delivery.
- Some items of support are only available once you have committed to teaching the qualification.

How to request a Cambridge Nationals Advisory Support call

To request an advisory support call for Cambridge Nationals, please complete the information above and email the form to the CPD Team at professionaldevelopment@ocr.org.uk.

This will provide you with an opportunity to discuss the specification and content, assessment criteria and delivery ideas. One thing we can't discuss or look at, is live student work.

Most of our advisory support is available on-line through our secure website for teachers, 'Teach Cambridge'
