Annual centre fee

We charge an annual centre fee of £590 for work-based learning centres and colleges offering our vocational qualifications. This is payable on 1 September each year and applies to centres who made entries between 1 August and 31 July the previous year. New centres, who make entries for the first time during 2019/20, will not be charged the fee until September 2020.

Without paying the annual centre fee, centres cannot make any new entries.

Where centres make entries using more than one centre number, only one fee will apply.

If you have any queries about the annual centre fee, please call our Customer Support Centre on 02476 851509.

Cambridge Nationals late entries, withdrawals, entry amendments and transfer of candidates

The accurate and timely submission of entries is critical to the successful delivery of OCR's services to centres. Entries received after the advertised deadlines can disrupt carefully scheduled processes and ultimately jeopardise the final production and delivery of results. Late entry fees are therefore applied both to recover the costs associated with the additional processing requirements and to promote the submission of entries by the advertised closing dates. Late entry fees will not be refunded.

Series	Basedata issued	Entry deadline	Late entry fees (Stage 1)	Very late entry fees (Stage 2)	Withdrawal of entry with a refund until
			• Late entries: entry fee + late fee	• Very late entries: entry fee + very late fee • Resit entry extended deadline: entry fee + very late fee

June 2020	11 November 2019	21 February 2020	22 February 2020 to 21 April 2020	22 April 2020 onwards	21 March 2020

Candidate entry	The submission of the four-digit entry code (plus any associated tier/option code) as defined in the OCR Entry Codes booklet or basedata issued by OCR. For untitised schemes, there is a separate entry code for each unit (including coursework units) and also the associated certification entry. An entry fee is charged for each unit or, in the case of linear qualifications, for the overall qualification.
Certification entry	For untitised qualifications only, an entry to indicate an overall qualification grade, where an award is expected for the candidate in the series. There is no entry fee for certification entries.
Late entry (Stage 1)	Charged for each entry received after the entry deadline. This fee is the equivalent of the original entry fee and is charged in addition to the entry fee.
Very late entry (Stage 2)	Charged for each entry received after the late entry (Stage 1) deadline. This fee is double the original entry fee and is charged in addition to the entry fee.
Pirate entry	A pirate entry is an entry created by OCR in response to work submitted for a candidate who has not been formally entered by the centre. Very late entry fees (Stage 2) will be applied (double the original entry fee) in addition to the original entry fee.
Option change	For Cambridge Nationals, option changes are the change to the method of moderation (postal or OCR Repository) or the choice to carry forward a candidate's results for an internal assessment. This is free of charge.
Withdrawn entry	The removal of a candidate entry after it has been received. For medically unfit candidates, entry fees will be refunded up to one week before the issue of results, on the production of a medical certificate. For bereaved or deceased candidates, please provide us with a letter on centre-headed paper. To claim a refund for medically unfit candidates, please forward the supporting documentation to us at entries@ocr.org.uk
Resit	Where a candidate is resitting exactly the same unit in June as taken in January, the entry deadline of 21 February is extended to 21 March for those units and candidates only. Subsequent entries are subject to very late entry fees.

Transfer of candidate from one centre to another	Fee (£)
The administration fee for candidates who transfer from one centre to another to sit their examinations	36.25 per candidate

Centres delivering Cambridge Technicals (2012 and/or 2016 Suite) qualifications receive two free Visiting Moderations per academic year/subject. Any additional Visiting Moderations will incur a fee of £372.50 per visit, unless prior approval to waive the fee has been granted by OCR.

Comprehensive instructions for entering candidates for Cambridge Technicals qualifications can be found on the OCR website.

Top up/Move down entries can only be made for candidates with existing full award entries.

Top up fees are determined by calculating the difference between the cost of the full qualification the candidate is moving to and the cost of the original full qualification entered for and applying a standard £12 per candidate administration fee (incorporated into the stated fee shown). Move downs are at no additional cost. Single unit entry fee (also required to re-submit a unit at a higher grade): £25.50

Centres delivering Cambridge Technicals (2012 and/or 2016 Suite) qualifications receive two free visiting moderation opportunities per academic year/subject. Any additional moderations will incur a fee of £372.50 per visit, unless prior approval to waive the fee has been granted by OCR.

A late entry fee will apply to all externally assessed units (either 1st sitting or resit) submitted after the entry deadline date(s) (see the Key Dates document). The late entry fee (£35.00) is charged in addition to the Unit/Full Qual entry fee.

Top up/move down entries can only be made for candidates with existing full award entries.

Top up fees are determined by calculating the difference between the cost of the full qualification the candidate is moving to and the cost of the original full qualification entered for and applying a standard £12 per candidate administration fee (incorporated into the stated fee shown). Move downs are at no additional cost.

Vocational Qualifications

Centre approval fee (new centre) for verified schemes	454.50
Centre approval fee (for existing centres) for verified schemes	372.50
Inspection fee*	372.50

* Applied where a vocational centre that is not a school or college seeks approval to become an OCR Test Centre, ie one delivering examined qualifications. (For Certificates of Professional Competence, an inspection visit and fee is required **per venue**.)

Centres located outside the UK will need to negotiate prices for evaluation and verification individually.

Centres receive two free External Verifier visits per year, being incorporated into the candidate entry fees charged by OCR. However, OCR reserves the right to charge centres the standard visit fee (currently £372.50) for any extra visits or advisory visits over and above their normal allocation. Moreover, where a centre enters a small number of candidates per academic year, the standard visit fee will be applied. Please refer to the OCR website for further guidance.

OCR offers customers two fee options for the vast majority of our vocational qualifications.

Pay as you go – Units are purchased until such time that the required amount of credit has been achieved to attain a full qualification.

Pay up front – A simple one-off payment, payable in advance, that covers the cost of the whole qualification at a lower cost than Pay as you go.
