EDI results files

To receive EDI results files you must have included the UCI (unique candidate identifier) when you made your entries. Up to three files are issued:

JUNE 2019 SERIES EXAMINED RESULTS 2016 SUITE ONLY)	QUALIFICATION GRADES AND MODERATED UNIT RESULTS

Downloaded into the June 2019 series (6E19)

Make sure you have downloaded the latest version of the basedata

Downloaded into the September series (9I18)

One file for results issued between 1 and 31 July and another for results issued between 1 and 10 August

If you made your qualification entries in the previous academic year (9I17), make sure you have downloaded the basedata for the current year (9I18)

If you are a SIMS user and want to import your qualification results into the **summer season**, we produce specific 'summer' basedata to enable you to do this. This 'summer' basedata is an **optional** download

Trouble shooting: how to avoid missing and incomplete results

To help avoid missing or incomplete results for Cambridge Technicals qualification results, we recommend you check the following:

BASEDATA

✔ Do you have the latest version of the basedata?

RULES OF COMBINATION

✔ Do all candidates have a valid combination of units?

> **Advise teachers to check** all units have been claimed and rules of combination have been met

ENTRIES

✔ Are all candidates entered for the correct qualification?

> **Information and tools are available** from the website (Qualification pages)

✔ Do you need to make any top up or move down entries?

> **You can view** your entry data on Interchange

CLAIMS

✔ Have all required moderated units been claimed?

✔ Have all moderated units been claimed at the correct grade?

✔ Have any resits of moderated units been claimed?

> **You can check** the status of claims on Interchange

CANDIDATE DETAILS

✔ Candidates do not have duplicate records (i.e. more than one eight-digit OCR candidate number)
