

Your guide to the changes for 2021

Following an [Ofqual consultation](#), we have made changes to a number of our qualifications.

The changes are designed to reduce the pressure on teachers and students in the 2020/21 academic year, and to safeguard against ongoing public health concerns.

Please [use the specification on our website](#) alongside this document which shows how our qualifications will differ in summer 2021.

Overview of changes for GCSE (9–1) History B (Schools History Project)

Ofqual have confirmed that students taking GCSE (9-1) History B (Schools History Project) in summer 2021 **will not have to study and will not be assessed on all the content of the full course:**

- **All** students will be required to study and will be assessed on the **British Depth Study**.
- Students will study and be assessed on **three** out of the four remaining studies: the **Thematic study**, **History Around Us**, the **Period Study** and the **World Depth Study**. Centres are free to choose which three of these studies they enter their students for.
- Each study will be assessed separately with its own exam paper in its own timetabled slot.
- All of the 2021 question papers will be equally weighted in terms of historical content, before the addition of SPaG marks.

GCSE(9–1) History B (Schools History Project) for academic year 2020/21

Students must complete the **British Depth Study** and **three** other studies from a choice of four to be awarded OCR's GCSE (9–1) in History B in **summer 2021**.
