Fees for late entries, withdrawals, entry amendments and transfer of candidates

The accurate and timely submission of entries is critical to the successful delivery of OCR's services to centres. Entries received after the advertised deadlines can disrupt carefully scheduled processes and ultimately jeopardise the final production and delivery of results. Late entry fees are therefore applied both to recover the costs associated with the additional processing requirements and to promote the submission of entries by the advertised closing dates. Late entry fees will not be refunded.

Series	Entry deadline	Late entry fees (Stage 1)	Very late entry fees (Stage 2)	Withdrawal of entry with a refund until
		<ul style="list-style-type: none"> Late entries: entry fee + late fee Option changes*: entry fee + late fee (November: original entry refunded June: original entry refunded until 21 March for GCSE; until 21 April for Level 3 qualifications) Tier changes: free of charge 	<ul style="list-style-type: none"> Very late entries: entry fee + very late fee Option changes*: entry fee + very late fee (original entry fee not refunded) 	
June 2021 GCSE/Entry Level Certificate	21 February 2021	16 March 2021 to 21 April 2021*	22 April 2021 onwards	21 March 2021
June 2021 GCE/FSMQ/Project/Level 3 Certificate	21 February 2021	16 March 2021 to 21 April 2021*	22 April 2021 onwards	21 April 2021

Candidate entry	The submission of the four-digit entry code (plus any associated tier/option code) as defined in the OCR Entry Codes booklet or basedata issued by OCR. For unatised schemes, there is a separate entry code for each unit (including coursework units) and also the associated certification entry. An entry fee is charged for each unit or, in the case of linear qualifications, for the overall qualification.
Certification entry	For unatised qualifications only, an entry to indicate an overall qualification grade, where an award is expected for the candidate in the series. There is no entry fee for certification entries.
Late entry (Stage 1)	Charged for each entry received after the entry deadline. This fee is the equivalent of the original entry fee and is charged in addition to the entry fee.
Very late entry (Stage 2)	Charged for each entry received after the late entry (Stage 1) deadline. This fee is double the original entry fee and is charged in addition to the entry fee.
Pirate entry	A pirate entry is an entry created by OCR in response to work submitted for a candidate who has not been formally entered by the centre. Very late entry fees (Stage 2) will be applied (double the original entry fee) in addition to the original entry fee.
Option change	This can represent a choice between question papers, the method of moderation (postal or OCR Repository) or the choice to carry forward a candidate's results for an internal assessment. See the OCR Entry Codes booklet for further details and entry and option codes. From 2019/20, the method of moderation (postal or OCR Repository) or the choice to carry forward a candidate's results for an internal assessment will not be charged a late fee.
Tier change	This changes the level at which a candidate will sit an exam (i.e. Foundation or Higher). For example, changing J560F to J560H would change a candidate's entry for J560 from Foundation tier to Higher tier. To enable teachers to make grade decisions as late as possible we will not charge for tier changes for June 2021
Withdrawn entry	The removal of a candidate entry after it has been received. For medically unfit, bereaved or deceased candidates, entry fees will be refunded up to one week before results are issued.
Private Candidates*	We had extended the deadline for entries for private candidates by one month to 21 March 2021. We can now confirm that you can make entries for private candidates up until 26 April without incurring extra charges.

Transfer of candidate from one centre to another	Fee (£)
The administration fee for candidates who transfer from one centre to another to sit their examinations	38.00 per candidate
