## Fees for late entries, withdrawals, entry amendments and transfer of candidates

The accurate and timely submission of entries is critical to the successful delivery of OCR's services to centres. Entries received after the advertised deadlines can disrupt carefully scheduled processes and ultimately jeopardise the final production and delivery of results. Late entry fees are therefore applied both to recover the costs associated with the additional processing requirements and to promote the submission of entries by the advertised closing dates. Late entry fees will not be refunded.

Series	Entry deadline	Late entry fees (Stage 1)	Very late entry fees (Stage 2)	Withdrawal of entry with a refund until

<b>Candidate entry</b>	The submission of the four-digit entry code (plus any associated tier/option code) as defined in the OCR Entry Codes booklet or basedata issued by OCR. For unatised schemes, there is a separate entry code for each unit (including coursework units) and also the associated certification entry. An entry fee is charged for each unit or, in the case of linear qualifications, for the overall qualification.
<b>Certification entry</b>	For unatised qualifications only, an entry to indicate an overall qualification grade, where an award is expected for the candidate in the series. There is no entry fee for certification entries.
<b>Late entry (Stage 1)</b>	Charged for each entry received after the entry deadline. This fee is the equivalent of the original entry fee and is charged in addition to the entry fee.
<b>Very late entry (Stage 2)</b>	Charged for each entry received after the late entry (Stage 1) deadline. This fee is double the original entry fee and is charged in addition to the entry fee.
<b>Pirate entry</b>	A pirate entry is an entry created by OCR in response to work submitted for a candidate who has not been formally entered by the centre.
<b>Option change</b>	This can represent a choice between question papers, the method of moderation (postal or OCR Repository) or the choice to carry forward a candidate's results for an internal assessment. See the OCR Entry Codes booklet for further details and entry and option codes. The method of moderation (postal or OCR Repository) or the choice to carry forward a candidate's results for an internal assessment will not be charged a late fee.
<b>Tier change</b>	This changes the level at which a candidate will sit an exam (i.e. Foundation or Higher). For example, changing J560F to J560H would change a candidate's entry for J560 from Foundation tier to Higher tier.
<b>Withdrawn entry</b>	The removal of a candidate entry after it has been received. For medically unfit, bereaved or deceased candidates, entry fees will be refunded up to one week before results are issued.

Transfer of candidate from one centre to another (please note that this fee is waived for General Qualifications in November 2021 only)	Fee (£)
The administration fee for candidates who transfer from one centre to another to sit their examinations	38.00 per candidate
